# Keystone Printing Ink Technical Data Sheet

## Heatset - 45 Series

**Series Summary:** The Heatset – 45 series is a very high quality heatset web ink. The strength and clarity of color, coupled with the exceptional drying speed and extreme scuff resistance keeps this high performance series very popular with heatset printers. The Heatset – 45 series inks are available in a (4) four color process series as well as all (14) fourteen Basic Colors.

<b>Advantages:</b>	Quick Setting	Hard Drying
	Excellent Rub Resistance	Good Press Stability
	Batch to Batch Consistency	Low VOCs

**Packaging:** Available in 3 ½ Gallon Plastic Kits and Five Pound Metal Containers.

<b>Technical Data:</b>	<b>Tack @ 1200 rpm:</b>	10.0 – 14.0
	<b>Misting @ 1200 rpm for 3 min.:</b>	negligible

Note: All inks are tested using Keystone Printing Ink Company approved test methods. Materials tested under like conditions with different instrumentation may yield different results.

The merchandise herein contained is sold without warranties express or implied. These conditions shall not be waived other than by an offer of the seller in writing.
